

LEND

NYMBUS LEND

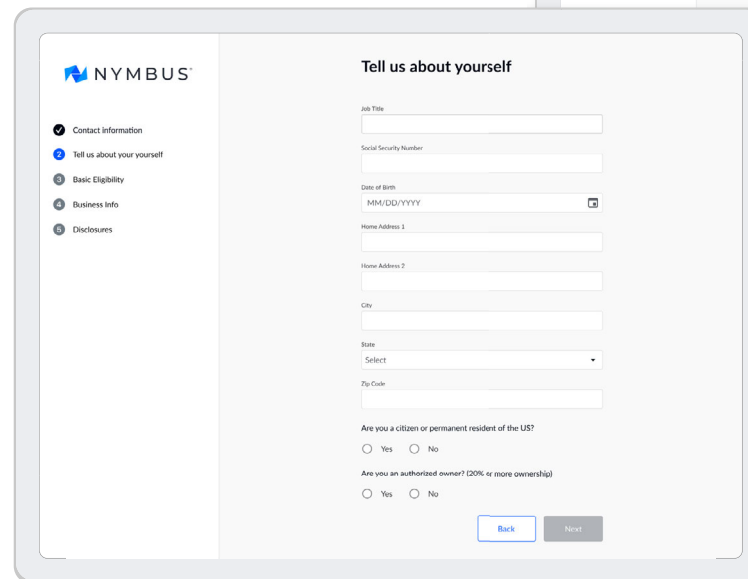

Secure End-to-End
Lending Platform.

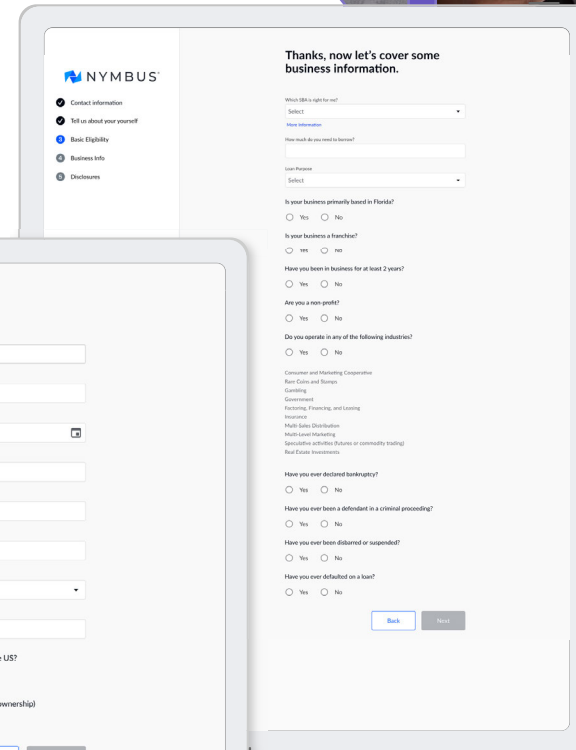

Modern & Flexible LOAN ORIGINATION

A secure, low-code digital lending platform, with built in underwriting tools, document management, lead management, automated KYC checks, and easy loan product setup.

- ✓ Modern user interface with customizable workflows to meet your unique needs
- ✓ Flexible data platform to support multiple loan types and automate processes
- ✓ Collaborate with borrowers and colleagues in real time
- ✓ Configurable applications and secure applicant portal

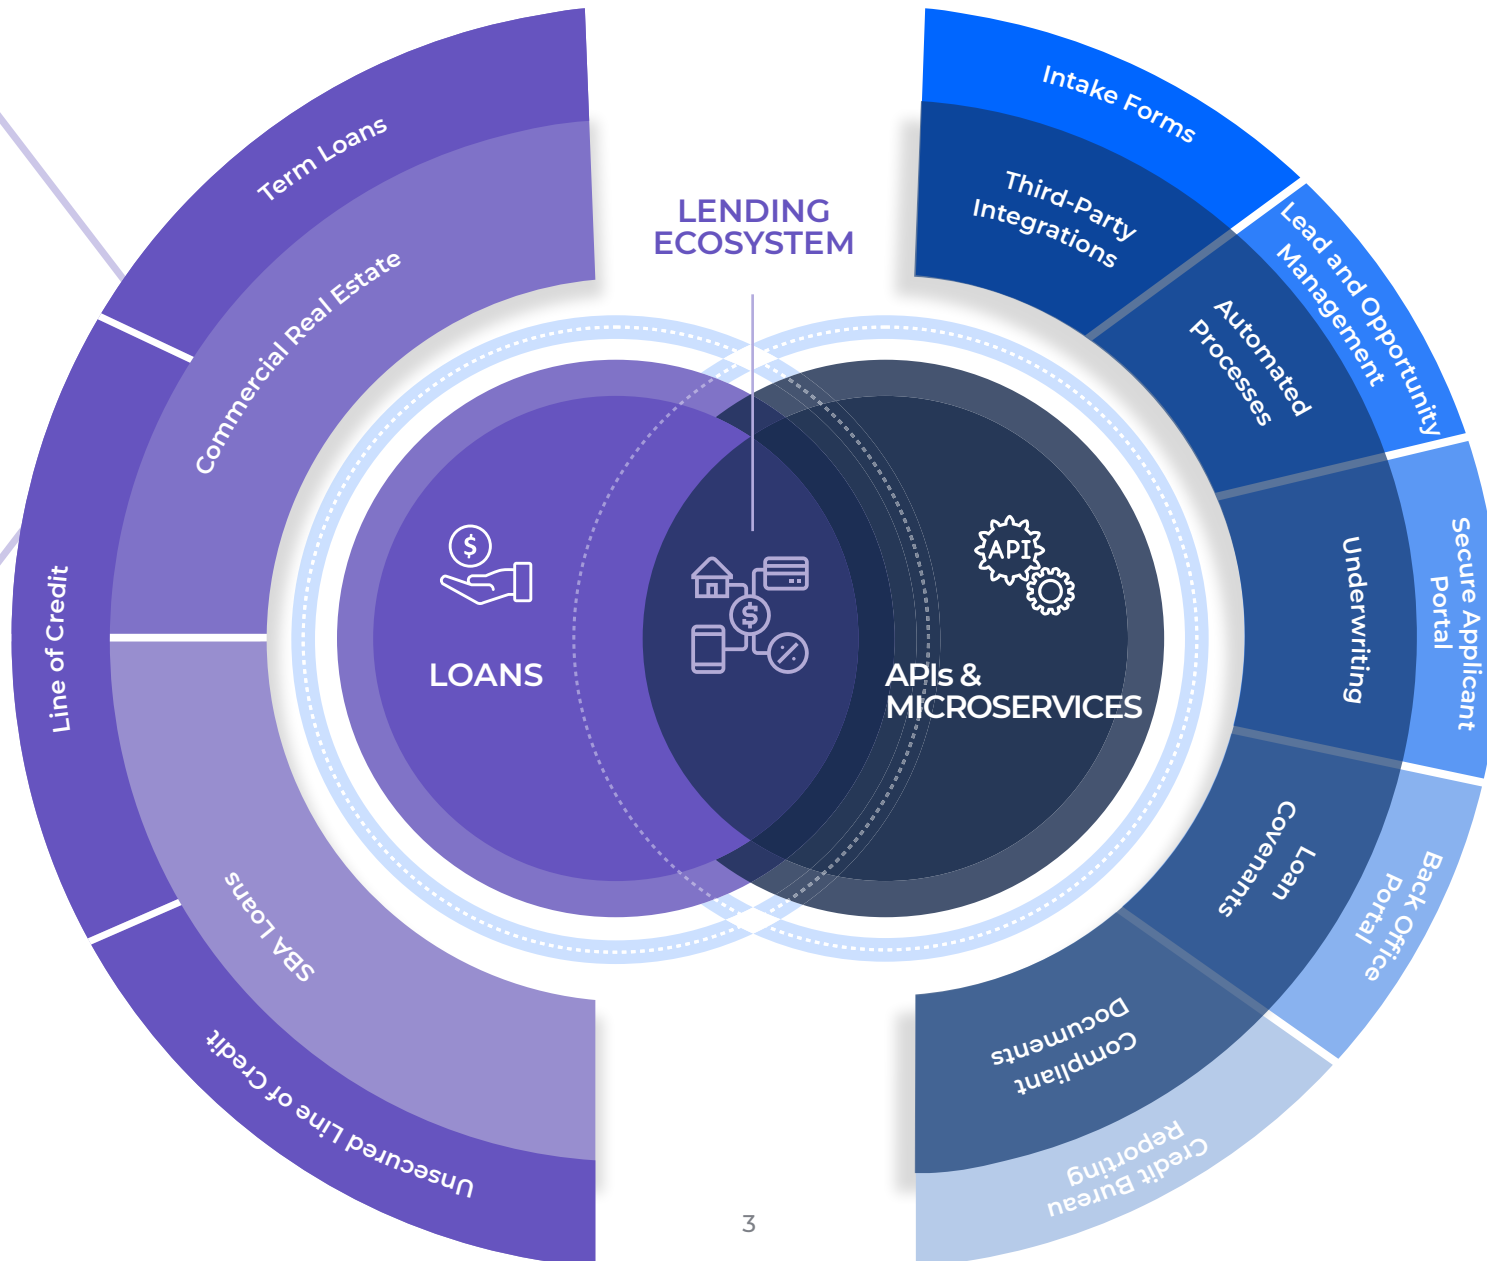

The image shows a digital application form for Nimbus Lend. The form is titled "Tell us about yourself" and is divided into sections: Contact Information, Tell us about your yourself (selected), Basic Eligibility, Business Info, and Disclosures. The "Tell us about your yourself" section includes fields for Job Title, Social Security Number, Date of Birth (MM/DD/YYYY), Home Address 1, Home Address 2, City, State (dropdown), and Zip Code. Below these fields are two questions: "Are you a citizen or permanent resident of the US?" and "Are you an authorized owner? (20% or more ownership)", each with Yes/No radio buttons. At the bottom are "Back" and "Next" buttons.

The image shows a digital application form for Nimbus Lend. The form is titled "Thanks, now let's cover some business information." and is divided into sections: Contact Information, Tell us about your yourself, Basic Eligibility (selected), Business Info, and Disclosures. The "Basic Eligibility" section includes fields for "Which state is right for you?" (dropdown), "How much do you need to borrow?" (text input), and "Loan Purpose" (dropdown). Below these are several Yes/No questions: "Is your business primarily based in Florida?", "Is your business a franchise?", "Have you been in business for at least 2 years?", "Are you a non-profit?", "Do you operate in any of the following industries?" (with a list of industries including Consumer and Marketing, Real Estate, etc.), "Have you ever declared bankruptcy?", "Have you ever been a defendant in a criminal proceeding?", "Have you ever been disbarred or suspended?", and "Have you ever defaulted on a loan?". At the bottom are "Back" and "Next" buttons.

WHY LEND, WHY NOW?

The Case for Change

The slow move to automation and digitization, relative complexity of lending processes, and rising client expectations has led to several challenges for banks.

Source: Deloitte

Challenges

Manual Processes

still exist in the lending life cycle despite tech rollouts

Legacy Tech

has hindered banks ability to evolve with next-gen solutions

Legacy underwriting and warning systems'

show agility with market trends

Limited insights through data

impede the ability to drive front office performance

Fintechs' ascent in recent years

requires banks to define a go-ahead strategy

Customers

are more willing that ever to change banks for innovative experiences

Unlimited **OPPORTUNITY**

With A Platform Built For Lenders By Lenders
